Subject - Hosanagar Municipality - proposal to work out the Municipal Toll on contract basis instead of Departmentally from 1944-45

In forwarding herewith an original report No Ml 439/43-44 dated 20th March 1944 received from the President, Hosanagar Minor Municipality on the subject noted above, I have the honour to state as follows -

The Hosanagar Municipal Council are working the Municipal Tolls departmentally in accordance with the instructions contained in Government Official Memorandum No L 6761-71/M1 131-39-3 dated 1st February 1940

2 The entertainment of special temporary staff consisting of six gate-keepers on a pay of Rs 10/- each per mensem to work at the municipal Toll gates during the current year was sanctioned by Government in their Order No L 988-9/M1 5-42-17 dated 23rd July 1943

3 The Municipal President reports that in view of the fall of the come under Toll Revenue during the current year, the question of working out the collections on contract basis from the ensuing years was considered by the Municipal Council at its meeting held on 19-3-1940 when a resolution was passed to the effect that the collections of Toll might be worked ~~departmentally~~ on Contract basis with effect from 1944-45 - vide Resolution copy enclosed for kind reference

4 I write to state in this connection that during my inspection ~~xxxxxxx~~ of the Municipal office hall on 23rd April 1944, I examined ~~explain~~ the position there has been considerable fall of income under

Toll for the current year the realisations up to end of March 1944, were Rs 546/- as against the realisations of Rs 813/- for the - corresponding period of the previous year

5 The details of receipts and expenditure incurred towards the running of the Toll departmentally during 43-44 has been detailed in the body of the resolution of the Municipal Council dated 19-3-1944, copy of which is enclosed

6 It is seen therefrom that the expenditure towards the maintenance of the Establishment has worked out to Rs 721/- up to end of February 1944, as against the realisations of Rs 368/- incurred up to end of February 1944 Instead of having a source of income - Toll has become source of liability

7 In the circumstances, I recommend that sanction of Government may kindly be obtained to permit the Hosanagar Minor Municipal Council to run the Toll on contract basis, instead of on Amani basis with - effect from the year 44-45

The favour of an early orders are solicited

Your most obedient servant,
